

Second Quarter Newsletter - 2021

Do Right.

Be Kind.

Be A Blessing.

Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow."

Isaiah 1:17

So Far The Fatalities are low!

As we have finished the second quarter of 2021, we at Hubble Foundation give a shout out to our men and women in the field for keeping themselves safe!

While we are proud people are staying safe, we don't want to lose sight that we have had one fatality this year - Mr. Shane Jenson. Please continue to pray for his family!

Watch one another, check your crew's gear, and be your brother and sister's keeper, and let's keep the rate low!

So far in 2021 ...

So far because of your generosity, we have raised **\$14,339.63** so far for 2021.

Remember, you can donate as a company, or individually. You can also have the donation draft from your check if you would like to do a set weekly donation, or you can donate through the donate page with a reoccurring donation as well!

THANK YOU!

Inquiries about finances can be requested directly to Dr. Hester at bridgette@hubblefoundation.org

Your generosity provides scholarship money, yes, but more importantly, it provides these children a sense of pride that their parent is remembered and honored.

It's not about money, it's about something so much more!

Scholarship Update

Your generosity continues to provide continuing education scholarships for children and widows of fallen technicians! The most recent scholarships for 2021 will be sent out July through September for:

Cadie Waddell – widow of Kenny Waddell

Kristen Hawkins - daughter of Chris Hawkins

Brooke Callan - daughter of John Dailey

Callie Sloan - daughter of Barry Sloan

BreAnna Sloan - daughter of Barry Sloan

Dan Remington - son of Dirk Remington
